

Memorandum
From [REDACTED] 25X1A

1. Current projects upon which I am working are, (a) Foreign Industrial Establishments
(b) Intelligence Libraries
2. Progress on project (a) to date is drawing up of an operation plan and a tentative check list of overall requirements in the field.
A meeting is being scheduled for 30 October at 1400 at which representatives from IAB, Dept Commerce, Bureau of Mines and U.S. Tariff Commission have been invited to attend to discuss their requirements and approve or revise the operating plan as necessary.
3. Project (b) is awaiting further action pending interview with [REDACTED] 25X1A
activation of Reference Branch of CR+E
